Login Form

Username/Email Placeholder - `.input-wrapper input[type="email"]`

Password Placeholder - `.input-wrapper input[type="password"]`

Log In Button - `#BtnSet-wrapper #BtnSubmit`

The image shows a screenshot of the ESPN website with a login form overlay. The overlay is a white box with a close button (X) in the top right corner. It contains the ESPN logo at the top. Below the logo are two input fields: "Username or Email Address" and "Password (case sensitive)". Below these fields is a blue "Log In" button. Under the "Log In" button is a link that says "Need help logging in?". Below that is a message: "Facebook Log In is no longer available. For help logging in, please use the link above." At the bottom of the overlay is a "Sign Up" button. The background of the website is dimmed, showing sports news and a top navigation bar with various sports categories and scores.
